Hi Celia,

Thank you for connecting me with the parents. It's nice to e-meet everyone.

We can certainly schedule a meeting with RAP, yourself and parents that would like to be involved.

Are there preferred times to meet within the next couple weeks with RAP and our office?

I am adding on this email Cathie Santo Domingo (handling the senior center) and Vicki Israel (who will be handling the lease agreement renewal).

Thank you.

Good Morning Marisol,

I have attached the parents who have been working on this project with Chris and Daniel and the project manager across the street.

I can speak with you of course but I wanted to let you know that these parents have been the voice of Canyon School and our concerns.

Peace Celia Williams

Hi Celia,

My name is Marisol Rodriguez and I am Councilmember Mitch O'Farrell's district director. I wanted to stop by tomorrow morning and introduce myself. My colleagues, Chris Robertson, Christine Peters and Dan Halden have briefed me on some of the concerns that arose from the adjacent project, as well as requests for repairs to the school site.

We can discuss a bit more tomorrow but I would like to schedule a time, within the next week or so, for you, Rec and Parks (RAP) and our office to meet. I understand that you have just signed a right of entry permit and will be working with RAP to formalize the new lease agreement. We want to let you and the parents know that we will be involved in this process to assist in the best of our ability.

See you tomorrow.

Thanks,
